

Cookie Policy

Do we use 'cookies'?

Yes. Cookies are small documents a site or its provider exchanges to your computer's hard drive through your browser (if you allow) that permit the site's or service provider's systems to identify your internet browser and capture please remember certain information. For example, we use cookies to help us keep in mind and process the things in your shopping cart software. Also, they are used to help us understand your requirements based on prior or current site activity, which permits us to offer you improved upon services. We also use cookies to help us put together aggregate data about site traffic and site conversation so that people may offer better site experience and tools in the foreseeable future.

We use cookies to:

- Understand and save user's tastes for future views or visits of our site.
- Keep an eye on advertisements.
- Compile aggregate data about site traffic and site connections in order to provide better site activities and tools in the foreseeable future.
- We also use third-party advertisements on MeMe, LLC to support our site. Some of these advertisers may use technology such as cookies and web beacons when they advertise on our site, which will also send these advertisers (such as Google through the Google AdSense program) information including your IP address, your ISP, the browser you used to visit our site, and in some cases, whether you have Flash installed. This is generally used for geo-targeting purposes (Serving Online Booking ads to Travelers) or showing certain ads based on specific sites visited (such as showing marketing ads to someone who frequents marketing sites or blogs).
- *We might also use third-party services that monitor these details on our behalf.*

You are able to choose that your personal computer warns you whenever a cookie has been directed, or you can select to turn off all cookies carefully. You can perform that through your web browser settings. Since the internet browser is just a little different, check out your browser's Help Menu to learn the way in which to change your cookies.

If you change cookies off, many of the features that produce your site experience better might not exactly function properly. It will not impact the user's experience, which builds your site experience better and might not function properly.
